NOTICE

Notice is hereby given that three applications were presented to the Court of Common Council of the City of Norwich at an adjourned regular meeting held in the Council Chamber on the 18th day of September, 1816, as follows:

meeting held in the Council Chamber on the 18th day of September, 1916, as follows:

I. That the Court of Common Council, as public convenience now requires, designate and fix the width, course, height and level of the sidewalks on the westerly side of Broadway, in the City of Norwich, along the entire distance from the southerly line of land of the Universalist Society and in front of the land of the Southerly line of land of the Universalist Society and in front of the land of the following proprietors: Daniel T. Shea (No. 170 Broadway) on the westerly side, and Lillie D. Libby, Estate of Ardelia H. Pettis and Elizabeth H. Learned on the easterly side; and also on the easterly side, and also on the easterly side, and also on the easterly side, and also on the easterly side of North Main street in the City of Norwich along the entire distance from the northerly line of land of Charles Lutts, and on the westerly side of North Main street along the entire distance from the southerly line of land of the heirs of James C. Gallaghan to the southerly curb line of Golden street.

And, further, that the following proprietors of the lands and building fronting such respective sidewalks as are herelmafter mentioned be ordered, each at his, her or its own expense, to build or repair his respective sidewalks as are herelmafter mentioned be ordered, each at his, her or its own expense, to build or repair his respective sidewalk and curb, as the case may be, by leveling, raising, forming, building and constructing to the extent specified, in accord with the width, course, height and level so established, either (1) a granolithic sidewalk and granolithic curb (3) a granolithic sidewalk and granolithic curb (4) a granolithic sidewalk and granolithic curb for the existing sidewalk, (5) a granolithic sidewalk and speariting and resetting the stone curb, (4) a granolithic sidewalk and present sidewalk repaired to satisfaction of Street Commissioner, as may be hereimafter stated in each instance, according to specifications and w

Street Commissioner of the City of Norwich, and to have sald work completed on or before Nov. 15th, 1916, viz.:

(1) Norwich and Worcester Railread Company from northerly end of the and asphalt walk at north end of old car shope northerly to coutherly line of land of J. B. Shannon known as No. 157 North Main street, City of Norwich Gas and Electric Department, Annie M. Kelly et al., James Graham, and Michael J. Malone, each along entire front, all on the casterly side of North Main street—a granolithic sidewalk, (2) Daniel T. Shea (No. 17) Broadway), John J. Murphy. Estate Edwin Falmer, Charles C. McNamara, John E. Fanning (No. 132), Lyman L. Chapman, Mrs. C. P. Thresher, George A. Ashbey, Mary E. Boylan (No. 122), Charles A. Gager, Jr., John C. Quinlan and Joseph Bradford, all on the westerly side of Broadway: Shetucket Coal and Wood Company and Charles Lutis both on the easterly side of North Main street, each along entire front; Lorenzo Rinella from northerly end of existing granolithic walk to southerly property line, and Estate of Michael J. Kelly from southerly end of present tar and asphalt walk to southerly property line, both on the easterly side of North Main street—a granolithic sidewalk and granolithic curb.

1(2) Mary E. Boylan and Estate Patrick J. Boylan (No. 120 Broadway), Little D. Linhy, Estate of Ardella H. Pettis and Elizabeth H. Learned, all on Broadway: James B. Shannon (Nos. 157 and 153 North Main street)—a granolithic sidewalk and granolithic sidewalk or tar and aspanit sidewalk.

(4) Heirs of James C. Gallaghan, Estate of Arby Learny, James Slosberg, Estate of Arby Learny, James Slosberg, Estate of Amede Chetty. Mapoleon B. Lewis and E. C. Lillibridge Mary Cunningham, Jeremiah J. Connors, Mar

North Main street, along entire its granelithic curb.

(6) Parker-Davenport Company on Broadway from southerly end of present granelithic curb southerly to Main street; and Norwich and Worcester Ballroad Company on North Main street from northerly line of property of J. E. Shannen, on which Marguerite building stands, northerly along entire building stands, northerly along entire front—granolithic curb and sidewalk front—granolithic curb and sidewalk ensired to satisfaction of Street Com

That the Court of Common Council, as public convenience now requires, designate and fix the width course, beight and level of the sidewalks on the easterly side of Union street. In the City of Norwich, along the entire distance from the northerly line of land of the Southern New England Telephone Company to the curb line of the southerly side of the short atreet at the south end of the Little Plain, so-called, and on the westerly side of Union street and of Brondway north of its junction therewith, along the entire distance from the southerly line of land of Sarah McInnis to the southerly curb line of Slater avenue.

And further, that the following proprietors of the land and buildings fronting such respective sidewalks as are hereinalter mentioned be ordered, each at his, her or its own expense, to repair his respective sidewalk by leveling, raising, forming, building and constructing along his entire front in accord with the width, course height and level so established, either (1) a granolithic sidewalk and repairing and resetting the stone curb, or (3) a granolithic sidewalk and repairing and resetting the stone curb, as may be hereinafter stated in each instance, according to specifications and workmanship satisfactory to Norwich, and to have said work completed on or hefore Nov. 15th. 1916, viz. (1) Nancy E and Mary C. Lucas (No. 27 Union street): J. Amelia Sutilification of Patrick Callahan, Nancy E, and Mary C. Lucas (No. 27 Union street): J. Amelia Sutilification of Patrick Callahan, Nancy E, and Mary C. Lucas (No. 27 Union street): J. Amelia Sutilification of Patrick Callahan, Nancy E, and Mary C. Lucas (No. 28). Sarah E, Bull, Elizabeth R, Norton and Albert S, Bard, all on Union street; Frank J. Leavens (No. 29). Broadway). Dr. E, P. Brewer (No. 89). Sarah E, Bull, Elizabeth R, Norton and Albert S, Bard, all on Union street; Frank J. Leavens (No. 202 Broadway) Elizabeth R, Huntington, all on Broadway—a granolithic sidewalk.

(2) Fannie L. Chapman, Amos A, Browning, and the Broadway Congre-That the Court of Common Council

sidewalk.

(2) Fannie L. Chapman, Amos A. Browning, and the Broadway Congregational Church (parsonage property), all on Union street—a granolithic sidewalk and repairing and resetting the stone curb.

(3) Estate of Oliver J. Tyler, Estate of John R. McNamara (vacant lot on westerly side of street, where bill-boards are), Katherine S. Desmond and Sarah McInnes, all on Union street—a granolithic sidewalk or a tar and asphalt sidewalk, and repairing and resetting stone curb.

That the Court of Common Council, That the Court of Common Council, as public convenience now requires, order the following proprietors of the lands and buildings fronting such respective sidewalks as are hereinafter mentioned, each at his, her or its own expense, to repair the existing sidewalk and curb all according to directions and instructions to be furnished by the Street Commissioner of the City of Norwich upon request, before work is commenced pursuant hereto, and thereafter to be done in accordance with the specifications so furnished and to the satisfaction of said Street Commissioner, and to have said work completed on or before Nov. 15th, 1916, viz.:

Signature of No. 18 the tucket street; br. William A. Slater, No. 40 Shetucket street; Dr. Witter K. Tingley, No. 35 Main street; Zebulon R. Robbins, No. 27 and No. 27 Main street; Charles B. Lee, No. 310 Main street; Julia Callanhan, No. 310 Main street; Julia Callanhan, No. 310 Main street; Adams P. Carroll, No. 3 to No. 15 Main street; Estate of Thomas Voornees, Bessie Lewis, Cornellus Collins, Afred A. Fournier, George L. Clark, George R. Hannis (No. 18 Union street), Lyman L. Chapman (No. 14 and No. 16), all on linion street.

It was further ordered that said three applications, and consideration and hearing upon the same, be poet-

NEW BRIDGE FOR SHERMAN STREET

Contract for Re-enforced Concrete Structure Has Been Let to Connecticut Engineering Company - Work to Start Within Ten Days' Time and to be Completed Twentyfive Days Later-Is to Replace Old Bridge at Foot of Sherman Street

The contract for a new reinforced concrete bridge to replace the older of the two bridges across the Yantic at the foot of Sherman street at the Falls has been let to the Connecticut Engineering company and work on the construction of the new bridge is to start immediately. The contract calls for a number of years and has outlived its

terly branch of the Yantic which at | venience travel as little as possible.

sibilities,
Just now the government is busy cleaning up the Hudson river, West-chester county is the latest to get hit, he war department ordering the county to built a filtration plant imnediately. It was only Monday that Deputy United States Marshal James S. Meng of Manhattan served a notice from Secretary of War Newton D. Baker on Chairman Charles D. Mil-Baker on Chairman Charles D. Milland and members of the Westchester county board of supervisors and Manager John J. Brown of the Bronx Valley trunk sewer commission, to the effect that the United States government would bring suit to force the removal of the sewage pipes in the Hudson river at Yonkers unless the county built a filtration plant.

The secretary of war set forth that in 1912, when the government

in 1912, when the government brought suit against the Bronx Valley sewer commissioners, the action was dismissed upon the signing of a stipulation that the commission would purify the sewage before it reached

purify the sewage before it reached the Hudson river.

For many weeks federal employes, physicians and chemists of the public health service have been making a study of the Sound's waters. The force expects to spend perhaps, another year here, and it may spend two years. At any time another force is expected here to study the upland waters, such as the Thames, Connecticut and Housatonic.

These surveys of coastal waters 60,000.00 years.

These surveys of coastal waters have to do almost entirely with the extent to which the filth of the town ffects shellfish in the waters close to The job is being done thor-Samples of water are taken to laboratories put at the health service's disposal by Yale university, and there are analyzed very thoroughly. Shellfish are taken from the sewage infected waters and the polution effect is studied on both cooked and water the studied of the cooked and water studied on both cooked and water studied on both cooked and water studied on both cooked and water studies of the cooked raw shellfish.

All this information is being tabu-lated and recorded and in time will get into the hands of an absolute au-

shucking houses along the harbor. These may be made to apply to all shucking houses in the state. The effect on Connecticut's great oyster industry may not be severe, inamuch as the oyster men themselves are alleged withing the street as a constitution of the street as a constitution o ready giving the question a great deal of study and have been at all times in touch with state and federal of-

But it is said to be apparent that the sewage question cannot be dedged for a great while longer. New Haven al-ready has a commission at work on its share in the great problem of clean-ing up Long Island sound. The rec-ommendation has been made already that a basin be dredged at each of the

8,600.19

60,000.00

These, it is expected, will cause the sewage to enter the water at a great depth an force its dissolution before it reaches the shellfish.

This plan has many opportunities.

There are those who claim that the life of the general assembly, the amendment will undoubtedly become a law in Connecticut after November 7. About 8,000 votes are needed to defeat the sewage will rise to the surface and float away the same as it always has done. Others say it will move under water, though at a great depth, and so mingle more thoroughly than ever with the oysters in their beds.

\$,000 votes are needed to defeat the amendment and it is the consensus of every official in the capitol building who has followed the votes already to have the matter in October and November cannot change the present result mawith the oysters in their beds.

Cannot change the present result materially. According to the records in the office of the secretary of the state there are 19,691 voters in favor of the amendment and 11,881 against it. Middlefield and Southington will vote
